

Working in Covenant With God

The best way to work in covenant with God, is to work in covenant with his people.

- We all know that God works through people, more specifically He works through you and me.
- God placed everything on the line with us, He took a gamble, Matt 28:18-20.
- When Jesus left the earth, He anointed the Church to take his place.
- We can be ineffective many times because we are not unified.
- Without God's love truly operating in us, we cannot be unified.
- The place of unity is the place of power!
- Division creates weakness! Di-vision, creates plural visions.

We must work to break down barriers between believers.

- The devil uses differences to divide and conquer.
- We must use differences to strengthen and edify, Eph 4:14-16.
- If we are smart, we will allow our differences to enhance the Body of Christ.

UNITY.

- We are commanded to be in unity (God's word is his command to us) 1Cor 1:10.
- The way we get to a place of unity is humility, Eph 4:1-3.

The results of unity, Psalms 133:1-3.

- The anointing.
- God's refreshing (like dew).
- Blessings commanded
- Eternal life
- Covenant partnership with one another, will result in covenant partnership with God, 2 Kings 23:1-3.
